Management System Policy

Complying with requirements of PN-EN ISO 9001:2015, PN-EN ISO 13485:2016, PN-EN ISO 14001:2015, PN-ISO 45001:2018 and IWAY 5.2.

Company BOWI-STYL PW WIEŚŁAWA SITARZ declares to make all efforts to implement this Management System Policy to the everyday business activity.

The main objectives of the adopted BOWI-STYL Management System Policy are:

- focus on customer satisfaction and understanding of the needs and expectations of our customers
- the lowest possible impact on the natural environment in the product manufacturing process
- creating a safe work environment to prevent work-related injuries and risks to our employees

The main objectives are achieved by:

- rational management of raw materials, water, electricity, gas, as well as minimalization of manufactured waste
- environmentally safe waste management by optimizing the production processes,
- segregation, storage and transfer of waste to authorized entities,
- controlling the proper storage of chemicals used in production processes,
- establishing environmental protection requirements for suppliers and, if possible, their enforcement,
- raising the level of knowledge and awareness of management and employees through the implementation of training, as well as promoting environment-friendly practices and behaviors, work safety and continuous improvement of the quality of manufactured products, as well as encouraging employees to consult and participate in the implementation of the Management System Policy,
- continuous improvement and betterment of the effectiveness of the management system, including:
 - systematic control of implemented processes and identification of non-compliance in order to ensure the safety and functionality of manufactured products
 - activities related to the control and prevention of the occurrence of negative impact on the environment through the efficient identification of significant environmental aspects, their elimination or mitigation of effects, as well as preventing their occurrence,
 - occupational health and safety activities aimed at eliminating hazards and reducing the level of occupational risk.

The Bowi-Styl company declares:

- meeting customers' requirements, compliance with legal and other requirements as well as standards in the scope of quality, environmental protection and occupational health and safety,
- applying anti-corruption policy in business relations - corruption and bribery are unacceptable
- applying anti-mobbing policy and preventing child labor,
- taking continuous actions to improve occupational health and safety and environmental impact,
- providing adequate resources and means to implement this policy.

This management system policy is communicated to all employees and copies are available to customers, suppliers, contractors, audit offices and customers of the Company.
